

HACKPRIX

WHERE INNOVATION MEETS COLLABORATION

2024 Sponsorship Deck

June 8, 2024 - June 9, 2024
Hyderabad, India

About Us

HackPrix is a 2-day long Hackathon in the vibrant city of Hyderabad, India. It's a manifestation of CodeWave Hub's commitment to empowering individuals and fostering a culture of innovation. By creating this platform, we aim to unlock the vast potential that resides within the tech enthusiasts. At the end of this Hackathon, participants will have a chance to pitch their project and launch their ideas to an audience of peers and sponsor representatives.

Why Sponsor Us

Student Engagement: By sponsoring our Event, you will have a direct and meaningful impact on student's lives. Our event is designed to educate and inspire the next generation of tech enthusiasts. Coming to HackPrix, giving a challenge, mentoring students, all of this helps to create a perception of your company and brand in the mind of students.

Large Student Audience: We anticipate an attendance of 450 Student Attendees. There will be students from various backgrounds and academic disciplines. Your sponsorship will allow you to reach a diverse and engaged audience.

New Technology: Is there a new technology your company has just released? An API that you want to gain traction? Well look no further, Hackathons are a prime location to test new cutting-edge technologies and their applications.

As a sponsor of the event, you would also be able to meet engineers, coders, and creative minds from diverse backgrounds! In addition, you could review their resumes, and interview them in person at the event! This event would be a great chance to showcase your organization and find potential employees among this group of talented individuals.
